Fire tactics Program (Curriculum)

1. Fire Development and Behaviour in a Structural Fire
2. Analyzing and Reading Smoke In a Structural Fire

La diffusion d'une passion IFC 2019 57

3. Nozzles and Extinguishing Techniques in a Structural Fire
4. Flowpath and Fire Behaviour in a Structural Fire
5. Transitional attack

La diffusion d'une passion 11C 2013 58

6. Nozzle techniques and 3D fire attack
7. Fire Combat Tactics in a Structural Fire
8. Simulator

La diffusion d'une passion 11C 2013 59

Live burn acquired structure NFPA 1403

La diffusion d'une passion 11C 2013 60

Observe the fire development

La diffusion d'une passion 11C 2013 61

Observe flow path and air movement

La diffusion d'une passion 11C 2013 62

Control the flowpath

La diffusion d'une passion 11C 2013 63

Transitional attack

La diffusion d'une passion 11C 2013 64

Gaz Cooling

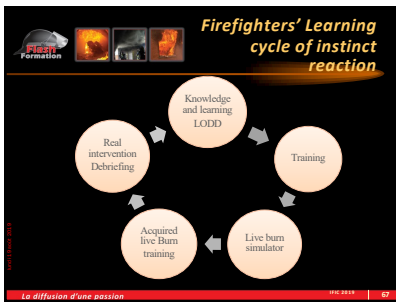

La diffusion d'une passion 11C 2013 65

Multitudes possibility

- ### Survey of 10 Fire departments (Québec)
- #### Survey tools
- Apply water in attic (Fog nail, piercing nozzle)
 - Gas cooling
 - Control the flow path
 - Transitional attack
 - Report and analyse of smoke
 - 360 of building
 - Attack the fire by the easiest place
-
